night's non-league match at West Stadium with great anxiety.

Both head coaches started out Monday's practice sessions with at least one line-up revision on offense.

Jerry Mathews took over at left end for Bill Walsh for Torrance and Bob Hoetger

becomes a starter at right guard for Greg Taylor of West.

Coach John Trantham, still moaning the failure of Torrance to move the ball deep in Redondo territory, is still convinced his starting backfield can do the job.

Terry Tiedeman, who carried 11 times for 46 yards and a minus 12, will be at fullback, Rick Faeth, who averaged 4 yards per carry in eight trips, will most likely run the ball more against West.

Jeff Tonkel is still listed as the No. 1 quarterback although he hobbled on the practice field Monday with a bruised leg. He ran the ball

eight times against Redondo for 55 yards, but his passing netted two completions in 10 tosses for 18 yards.

Danny Kling and Bill Bynum, subbing for Tonkel to bolster the passing for the Tartars, failed to connect in eight tries.

Torrance came up with a poor game plan in losing to Redondo, 14-0. Trailing by the two-touchdown margin early in the first half, the Tartars were unable to concentrate on a ground game which appears ahead of the passing at this stage in the season.

EVERYTHING worked for the West Warriors who galloped over Rolling Hills, 32-

14, is an afternoon game.

But coach Fred Peterson is having difficulty finding places for a flock of talented backs.

Peterson's happy complications have been created by the likes of Paul Gadois, Jim Barnes, Fred Schwabck, Bill De Waide, and Joel Hons.

Gadois gained 49 yards in 15 carries last week, then threw two passes for 52 yards and a touchdown. Barnes and Schwabck also turned in top performances last week, gaining 68 and 51 yards in seven and nine tries.

De Waide, not expected to play last week because of an injury, came off the bench

and picked up 51 yards in seven carries.

Hons, also limping through the Rolling Hills game, scored one of the five touchdowns on a 10-yard pass from Gadois.

Peterson won't have much trouble deciding on his quarterback, Ron Norman reinforced his hold on the position against Rolling Hills.

The Warriors No. 2 quarterback, senior Ron Sells, has been relegated to playing defense. Sells proved to be outstanding man in the secondary until he was called for a personal foul against the Titans and was ejected.

With the exception of the ends — Dave LaRoche, Steve

Parton, Mark Knox, and Bruce Ostendorf — the Warriors lack depth on the front line.

Center Russ Barden, injured last week is expected to be ready Friday.

Comparative scores after one game mean little at this stage. For one thing Redondo

is a contender for the Bay League title along with Hawthorne and Mira Costa, while Rolling Hills does not figure in the championship picture in the Sky League. Torrance

does.

Torrance defeated West, 14-0, in their Pioneer League skirmish a year ago.

PREP ROUNDUP

South Matched Against 'Gundo

South High will meet a Pioneer League opponent for the second time Friday night when El Segundo invades the Spartan Stadium at 8 p.m.

Palos Verdes nudged South, 7-6, while El Segundo breezed past Neff, 26-0, last weekend. Palos Verdes and El Segundo have been touted as the favorites in the Pioneer League, giving South two tough exercises before embarking on a Bay League 6-game Bay League schedule a week hence.

The South offense will rely on Scott Christensen, a two-year quarterback veteran, who is equally effective in passing and running. Jerry Filson runs the El Segundo T-formation offense. The Eagles have an all-league end, Bill Sligar, who will be the target of Filson's passing.

Westminster Rated Tough

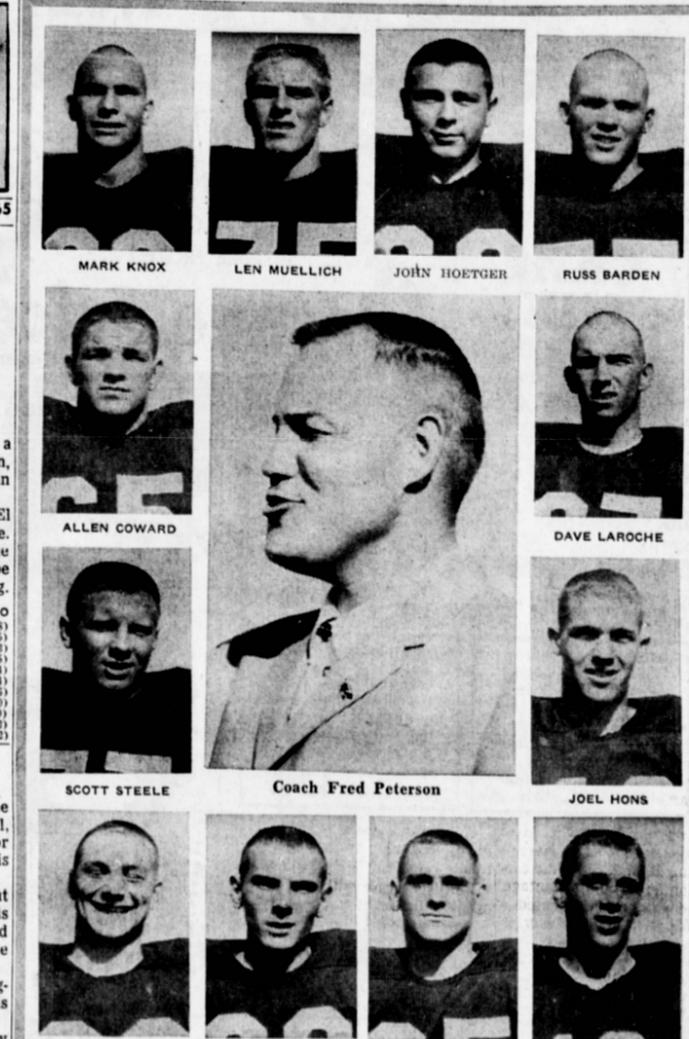

Westminster High School, ranked among the top 10 in CIF football competition this fall, is North High's second football opponent Friday night. The two teams meet at North Stadium.

Despite Westminster's high regard, the Lions of the Sunset League were upset last Friday by Servite, 14-0.

North High was beaten soundly by Warren of Downey, 30-19.

The Saxons, inexperienced, got some good running power from Steve Schmitz and Kent Major.

TEAM MANAGER ENRAGED

Injury Provokes Fued Between Slo-Pitch Foes

The Wild Mustangs, a slo-pitch team in the Torrance Recreation Department Friday night League, recently took part in a "barnstorming" tour of the post season tournament circuit, but it is not likely to happen again.

The Mustangs, managed by Dr. Rod Stetson, were beaten in the semi-finals of the SCMAF playoffs in Lakewood and reached the finals of the American Softball Association Tournament at Torrance.

In each the Mustangs lost to the ranking Tappa Keggas team of Torrance, 8-4 at Lakewood, and 5-0 and 2-1 at the Torrance Park.

Besides losing the three games, two Mustangs were knocked off their feet by Tappa Kegga players. One of the Mustangs, Merv Mexico, had his nose broken in the championship game of the ASA playoffs. The injury occurred on a tag out at third base as Ray Magnante ramed his head into Mexico holding the ball for the tag.

Mexico's nose "was fractured in six places with the top smashed down and the nasal septum markedly deviated to the left."

He underwent surgery yesterday at Little Company of Mary Hospital. A delay in performing the surgery was necessary to allow the swelling to subside, it was reported.

Stetson said he was upset about the injury because he believes the manner in

which it occurred is inexcusable.

Game umpire Bob MacLeay, who was also tournament director, did not take exception to the aggressive play because a "live" play was involved.

Although first aid was administered to Mexico, he continued in the game with the score 0-0 in the top of the seventh inning.

It was in that final inning all scoring took place as Tappa Keggas won, 2-1.

"Ordinarily, we would have been very proud to take second place in the tournament, but when I think of our third

baseman getting clobbered, I become enraged," said Manager Stetson.

Stetson said overtures had been made for the Mustangs to compete in the West Coast Slo-Pitch League (Tappa Keggas is the defending champion) next year.

The team spokesman said the Mustangs would stick to the Torrance leagues next year where unnecessary roughness results in the player getting tossed out of the game on the spot.

The Tappa Keggas, which has won 292 games against 32 losses during the past seven years, was honored during its 300th game by the Torrance Recreation Department and presented with a resolution by the City Council.

Chuck Schoendienst, spokesman for Tappa Keggas, said "The team is sorry the accident occurred, but we are talking about competitive sports and accidents of this type do occur."

"In past years many accidents occurred to different Tappa Keggas players with loss of money and work to different individuals, but we have never registered a complaint," said Schoendienst.

He added, "The game of slo-pitch has been played for 10 years or so in the Torrance area and we of Tappa Keggas feel we have contributed in some small manner to the advancement of slo-pitch from four teams to more than 100 in our area alone."

Pop Warner Season Commences

The Torrance Pop Warner football season opened Sunday with the defending South Bay Conference champion Oilers defeating the Gardena Rainbows, 16-7.

The peewee Vikings downed the Hawthorne Raiders, 55-0, while the Vikings lost to the Hawthorne Bees, 27-0.

In the midget division the Chargers defeated the Manhattan Beach Raiders, 20-0, and the Steelers beat the Wasps, 27-0.

Home games are played at West High Sunday afternoon at 1 p.m. and 3 p.m.

Montgomery Faces Lennox

For opens last week Bishop Montgomery defeated St. Genevieve, 39-6, and Lennox lost to Culver City, 12-7.

Montgomery's second football opponent of the practice campaign will be the Lennox Lancers. They clash Friday night at Hawthorne High Stadium.

Coach George Swade of Montgomery High said his Knights looked good against St. Genevieve. "But we don't know how good or bad they are," he said of the opposition.

Swade used his first string less than half the game last Friday. He plans to start the same offensive unit against Lennox.

Danny Graham, who threw

three touchdown passes in the opener, will be at quarterback for the Knights.

Montgomery can look forward to a tougher opponent in Lennox, a Pioneer League contender. The Lancers handled Culver City, 7-0, for three quarters and finally got beat in the final seconds, 12-7.

Coach Don Young depends on the quarterbacking of Bob Voyles and halfback Rudy Gengelbach for the brunt of his offense.

Redondo to Test Lawndale

Redondo, which blanked Torrance last Friday, 14-0, will be at home for the first time, playing Lawndale of the Pioneer League this Friday at 8 p.m.

Lawndale opened its season with a convincing 20-7 win over Beverly Hills. All the scoring came in the second half.

Lawndale, one of the two strongest teams in the bay area a year ago, lost Mike Battle and other outstanding players, but a new crop of young talent is headed by QB Jim Coleman, Rudy Meyer and Mike Ernaga, son of athletic director Marty Ernaga.

Redondo has an offense that can erupt. Luke Lee and

Terry Smith led the Hawks on the ground together with the running and passing of Dana Clyde to beat Torrance.

Mira Costa, with Jeff Colmer grinding out the yardage, will give Culver City a tough game Friday in the movie land. The Mustangs are expected to bounce back from a 20-0 loss to Loyola last week.

The big afternoon game Friday will send potent Leuzinger to Palos Verdes.

An oldtime rivalry is resumed at Sentinel Field when Morningside and Inglewood tangle Friday night. Inglewood held Leuzinger to a 6-0 decision last week. Rolling Hills, beaten by West, 32-14, will test Aviation in its second outing. Aviation downed Morningside, 13-0.

Harbor Goes West Races to Victory

Harbor College made football history around the country in 1962 and 64, but circumstances were vastly different.

The '62 squad took an 80-0 defeat at the hand of Glendale and became known as the laughing stock of Southern California junior college football.

The '64 team went undefeated with a 9-0 record, won the Western State Conference championship and was rated the second best JC eleven in the nation. Only Junior Rose Bowl champ Long Beach City College was better.

The main reason for the Hawk success story is no doubt the work of Coach Floyd 'Scrappy' Rhea.

In his first year as head man Rhea's charges battled to a 6-3 season record and second place in the WSC.

The story of his second year, 1964, has already been told.

After two years as head coach Rhea has developed three All-Americans, Ray Jones and Mike Ferragamo in '63 and Haven Moses last year.

Going into Friday night's game at Citrus Junior College the Seahawks have an 11-game winning streak, one of the longest JC streaks in the nation.

Director NAMED
James H. Smith, 1903 Bataan Road, Redondo Beach, has been appointed assistant director of student aid at the University of Southern California.
